**OKCL
OLYMPIAD
MOVEMENT**

*Preparation based on subjects of School
Syllabus and Personality Development*

'OKCL Olympiad Movement' [OOM]

OOM is acronym for 'OKCL Olympiad Movement'

OOM offers state level competitive examination, examining the academic quality of the students from standard 5th to 10th.

In addition to the school subjects, OOM makes it easy to understand if the student has ability to apply the knowledge gained in real life, and whether he/she can use the information acquired in one subject, while understanding the other subjects.

Students will also have the opportunity to learn through assessment. The students will have the experience of solving challenging as well as innovative questions which will drive their intellect.

Key Features:

- **Online Practice Series**
- **Talent Nurturance**
- **Preparation for National Olympiad Programs**
